

5 Recyclables <<Collected Twice a Month>>

The 3 R's

- ① REDUCE: Use things for as long as possible. (Take good care of things. Reduce garbage.)
- ② REUSE : Use repeatedly.
- ③ RECYCLE: Reuse as resource.

(1) Recycling Metals

RECYCLE

How to Sort	<ul style="list-style-type: none"> ① Anything made of metal and plastic that consists more than half of metal should be disposed as a recyclable. ② Vinyl coated steel products, such as laundry poles, should be shortened to below 2m. ③ Remove the fabric or vinyl portion from umbrellas and dispose the frame as recyclables (metals). ④ Electronic home appliances made of metal, such as microwaves and fan heaters should be disposed as recyclables (metals).
How to Dispose	<ul style="list-style-type: none"> ① Empty cans (smaller than 1000 ml) should be removed from any bag and placed in the designated collection basket at the collection point. Large cans such as 18-liter drums, candy tins, etc. should not be placed in the collection basket. They should be set neatly beside the basket. ② Make sure to puncture spray cans prior to disposal. Nothing other than cans should be placed in the collection basket. ③ Make sure to drain oil heaters, etc. of their fuel (inside base of the units and separate tanks) ④ Remove batteries from metal electric home appliances. ⑤ Small metal pieces such as nails, screws, beer tabs, etc. should be placed inside a can with a lid or in a plastic bag. ⑥ Food cans should be emptied and lightly rinsed.

Empty can collection basket

(2) Reuse and Recycling of Bottles

REUSE • RECYCLE

How to Sort	<ul style="list-style-type: none"> ① Bottles for beverages, food products, cosmetics, oral medicine, and pills belong to this category. ② All glass products other than bottles should be disposed as "landfill waste". Glass sheets and translucent milky colored bottles are "landfill waste". ③ Remove plastic caps and dispose as "plastic containers and packaging". ④ Labels and plastic rings at the top of bottles do not need to be removed. ⑤ Items not collected: Bottles for pesticides, herbicides, etc., should be returned to the retailer where purchased.
How to Dispose	<ul style="list-style-type: none"> ① Sort bottles by color into three groups (transparent with no color, brown, others) and lay flat in the empty bottle collection bin. ② Broken bottles should be placed in bags (transparent bags if possible) ③ Bottles should be emptied and rinsed thoroughly.
