

(3) Waste Paper

RECYCLE

mark indicates recyclable paper.

<b>How to Sort</b>	<p>① Sort waste paper into four categories: newspapers, magazines and “miscellaneous paper”, cardboard, and paper cartons for milk, etc. *See p.11 and p.25 - 26 for details of “miscellaneous paper” and how to sort them.</p>
<b>How to Dispose</b>	<p>① Bundle by tying up the stack both horizontally and vertically using paper strings. *Paper boxes (tissue boxes, candy boxes, etc.), wrapping paper, paper bags, notebooks, pamphlets, copy paper, calendars, etc. may be bundled together with magazines. ② “Miscellaneous paper” that cannot be bundled together with magazines should be stored in paper bags with paper handles. Place out when bag is full, tying the top closed or vertically tying up the entire bag using paper strings. *See p.11 and p.25-26 for items that cannot be disposed. ③ Remove packing/packaging tape from cardboard etc. and dispose as combustible garbage. ④ If circumstances permit, refrain from placing out waste paper when raining.</p>
<b>Others (Trading in Paper Cartons)</b>	<p>A recycling pocketbook will issued for record keeping, and thirty 1,000 cc paper cartons will be exchanged for one roll of toilet paper (or three hundred 1000 cc cartons for ten town-designated garbage bags). <b>Collection counters</b> are located at the Women's Association Office, the Town Hall Community and Environment Section, and the Southern Community Center, but <b>toilet paper and bags can only be received at the Women's Association Office located on the second floor of Community Nagaizumi.</b> *Paper cartons with coating on the inner side are accepted.</p>

Newspaper	Magazines and miscellaneous paper	Cardboard boxes	Paper cartons for milk, juice, alcohol, etc.
<p>* Newspaper insert flyers/ads should be bundled together with newspaper.</p>	<p>* Paper boxes, wrapping paper, catalogs, copy paper, etc. can be bundled together.</p>		<p>* Rinse with water, cut open, dry, and bundle. *Cartons with coating inside are accepted.</p>

(4) Fabrics

REUSE

Categories	Items to be disposed as <b>fabrics</b>	Items to be disposed as <b>combustible garbage or shreddable waste.</b>
Clothing	Suits, sweatshirts, kimonos, neckties, sweaters, insulated jumpers, socks, shirts, underwear, bras, and all other clothing.	Clothing stained with paint, oil, etc., torn clothing, pantyhose, yarn, ripped underwear, socks with holes, etc. are combustible garbage.
Bags	Items made of cloth, vinyl, synthetic leather, and leather.	“Randsels”, suitcases, traveler’s bags (with rollers), golf bags, PC carriers, items with broken latches or handles are shreddable waste.
Cloth	Towels, sheets, kitchen mats, small doormats (no larger than 70cm x 100cm).	Rugs and carpets are shreddable waste. Strips of cloth (cloth scraps) and wiping cloths are combustible garbage.
Curtains, Blankets	Curtains, blankets, cotton pile sheets	Items with cotton lining, such as futons, are shreddable waste. Torn curtains and dirty blankets are shreddable waste.
<b>How to Dispose</b>	<p>Place in a plastic bag when placing out for pickup. * Wet fabrics cannot be reused. Do not place out for pickup when raining. * Place bags opening side down at collection points.</p>
